

**Territorial management and planning in Galicia:
From its origins to end of Fraga administration, 1950s – 2004**

Introduction

1. Goals	1
2. Structure of the thesis	5

Chapter 1, Methodology and sources

Introduction	7
1. Sources	8
1.1 <u>Published material</u>	8
1.2 <u>The Internet</u>	9
1.3 <u>Fieldwork</u>	11
a) <i>Case study area: Bueu</i>	11
b) <i>Sampling and questionnaires</i>	13
c) <i>Interviews</i>	14
d) <i>Direct observation</i>	16
2. Methods of analysis	17
2.1 <u>Stationary analysis: analysis of the territorial structure</u>	17
2.2 <u>Dynamic analysis: analysis of the human appropriation and perception of the territory</u>	17
2.3 <u>Territorial imbalances and restructuring processes</u>	18
3. Methodological and data collection difficulties	19

Chapter 2, Theory and concepts (literature review)

Introduction	20
1. The nature and concept of territorial management	21
2. The implementation of territorial management: territorial planning	25
2.1 <u>The (general) theory of territorial planning</u>	25
2.2 <u>Constructing a territorial (development) plan</u>	26
3. Approaches to contemporary Iberian territorial management: towards strategic and integrative planning	30

3.1	<u>The origins of territorial management and planning</u>	30
3.2	<u>Constructing the contemporary Iberian/Galician planning</u>	31
3.3	<u>Debates on strategic planning: the future of territorial management?</u>	34
4.	The planners: moral implications and the achievement of the ‘good’	37
5.	Territorial management and the European Union	43

Chapter 3, The administrative and territorial structure of the Spanish state. Galicia within its framework

	Introduction	47
1.	Historical approach: the intricate nature of ‘Spain’	49
2.	The Spanish state today	51
2.1	<u>The Spanish second Republic and the Federalist agenda (1931-1939)</u>	51
2.2	<u>The Francoist dictatorship (1939-1975)</u>	52
2.3	<u>The post-Franco period (1975 onwards)</u>	54
	a) <i>The Transition period (1976-1985)</i>	54
	b) <i>Territorial implications of the 1978 Spanish Constitution</i>	55
3.	The ‘autonomic system’ or ‘state of the autonomies’	57
3.1	<u>Rupture with Franco’s model: avoiding the ‘region’; Self-government</u> ..	57
3.2	<u>Constructing the new ‘State of the Autonomies’: Devolution</u>	59
4.	Galician peculiarities	63
4.1	<u>Galicia’s organisation and extended powers</u>	63
4.2	<u>Present key territorial tiers</u>	65
	a) <i>The ‘provincia’ (province)</i>	66
	b) <i>The ‘comarca’ or ‘bisbarra’ (region)</i>	68
	c) <i>The ‘concello’ (municipality)</i>	70
	d) <i>The ‘parróquia-lugar’ (parish-townland)</i>	72
5.	Summary	73

Chapter 4, Origins and evolution of territorial management and planning in Galicia (1950s to present); Structural problems

	Introduction	74
1.	Origins (1950s-1960s): first land-consolidation attempts and the growth poles	76
2.	Growth pole failure and the regime change: the 1970s	79

3. Rupture of the traditional model: modernisation and counter-urbanisation in the 1980s; The <i>feísmo</i> (ugliness).....	82
4. New paths for Galician territorial management: current controversies and envisaged territorial models (1990s to present); The vision of a renewed garden-city.....	89
5. Conclusion.....	92

Chapter 5, Contemporary key spatial plans and policies (1985 to present)

Introduction	93
1. From LASGA (1985) to <i>Lei do Solo</i> (1997 and 2002)	94
1.1 <u>The formulation and shortcomings of LASGA (1985)</u>	94
1.2 <u>Reformulating LASGA: the <i>Lei do Solo</i> (1997)</u>	96
1.3 <u>The <i>Lei do Solo</i> (2002)</u>	98
2. The <i>Plan Director de Infraestructuras</i> – PDI (2001-2010) and the <i>Directrices de Ordenación Territorial</i> (DOT)	102
2.1 <u>Infrastructure provision in Galicia: assessment and environmental issues</u>	102
2.2 <u>The <i>Plan Director de Infraestructuras</i> – PDI (2001-2010) and the <i>Directrices de Ordenación Territorial</i> (DOT)</u>	109
3. The <i>Eixo Atlântico</i> and the Galicia-North Portugal Euro-Region	113
3.1 <u>Characteristics of the Galicia-North Portugal Euro-Region</u>	114
3.2 <u>The construction of the Galicia-North Portugal Euro-Region</u>	115
3.3 <u>Projects, challenges and developmental tools</u>	117
4. The <i>Plan de Desenvolvemento Comarcal</i> – PDC. A spatial reform?	119
4.1 <u>Origins, definition and goals of the PDC</u>	120
a) <i>Origins of the PDC</i>	120
b) <i>Definition of the PDC</i>	120
c) <i>Theoretical goals of the PDC</i>	121
4.2 <u>Technical aspects, design and delivery of the PDC</u>	123
a) <i>Legal background and design of the PDC</i>	123
b) <i>Sponsored bodies</i>	126
4.3 <u>Controversies behind the PDC</u>	127
a) <i>The Mapa Comarcal (map of the comarcas)</i>	127
b) <i>The importance of the comarcas and the role of the province</i>	129

5. *The Plan Estratégico de Desenvolvemento Económico de Galicia – PEDEGA (2000-2006) and the Plan Galicia (2004)*.....132

Chapter 6, Recent and current local spatial policies and plans. The case study of the concello of Bueu

Introduction	135
1. Key official policies: the Normas Subsidiarias del Planeamiento – NSP (1988) and the Plan Xeral de Ordenación Municipal – PXOM (2004)	137
1.1 <u>The Normas Subsidiarias del Planeamiento – NSP (1988)</u>	137
1.2 <u>The Plan Xeral de Ordenación Municipal – PXOM (2004)</u>	138
2. Popular responses: the balance between promise and performance	142
3. Summary	149
<u>Conclusions</u>	151
<u>Glossary</u>	i
<u>Bibliography and Sources</u>	ix
Books and articles	ix
Sources	xxxix
<u>Printed sources</u>	xxxix
a) <i>Galician sources</i>	xxxix
b) <i>Spanish sources</i>	xxxix
c) <i>European sources</i>	xxxix
d) <i>Atlases and maps</i>	xxxix
<u>Electronic (Internet) sources</u>	xxxix
a) <i>Galician sources</i>	xxxix
→ Official documents and websites.....	xxxix
→ Newspapers (online and online editions of printed newspapers).....	xxxix
→ Other (miscellaneous) Galician Internet sources.....	xxxix
b) <i>Spanish sources</i>	xxxix
c) <i>European sources</i>	xxxix
d) <i>International and miscellaneous sources</i>	xxxix
<u>Appendix</u>	xxxviii
